

Credit Card Billing and Authorization

All VirtualPBX services are billed directly to your credit card. Please enter the following data EXACTLY as it appears on your most recent credit card statement. We will need to match the credit card number, account name, and billing address to be able to process your account. The most frequent cause of setup delay is credit card data that is not what the credit card company has on file.

- Visa
- Mastercard
- American Express

Name on Credit Card (exactly as printed): _____

Billing Address for Credit Card (Street, Apt #): _____

City: _____ State: _____ Zipcode: _____

Authorization:

By signing below, I acknowledge that I have read and agree to the terms and conditions set forth in the Service Agreement on the VirtualPBX web site, www.virtualpbx.com/agreement. I warrant that I have valid authority to act for the company or I am individually responsible for this account.

I authorize VirtualPBX.com, Inc. to automatically bill the credit card listed above for all VirtualPBX services. Since my payment amount varies each month, I will receive notification of the amount via email and I agree that my card will be billed automatically until I cancel service or a new card is provided. If this plan requires a setup fee, the initial setup fee will be billed at the time the system is set up. This authorization is valid until the account is terminated by letter or email to Billing@VirtualPBX.com. Please submit a completed copy of this document to us by fax to 888.825.0800 or scan and email to Billing@VirtualPBX.com.
